Message from the Chief Coordinator

Dear Colleagues and Participants,

It is an honor to serve as the Chief Coordinator for **UROCON 2025**, commemorating 25 years of excellence in urology through our **Silver Jubilee conference**.

This role carries the responsibility of orchestrating a conference that is not only scientifically enriching but also flawlessly executed. Our objective is to provide all attendees with a well-organized, accessible, and rewarding experience — from registration to scientific sessions, social events, and networking opportunities.

The chosen venue, **Pearl Continental Hotel, Lahore**, offers the ideal setting to support our goals of comfort, convenience, and professional engagement.

With the theme *“Mastering Urology in the Digital Age: AI, Innovation and Skill Development,”* UROCON 2025 aims to bridge cutting-edge advancements with practical clinical application, inspiring all participants to embrace the future of urology.

I extend my gratitude to the organizing team, faculty, sponsors, and delegates for their unwavering support, and I look forward to welcoming you all in November for this landmark event.

Sincerely,
Dr. Athar Hameed
Chief Coordinator
UROCON 2025 – Silver Jubilee
